## **DARUL ULOOM TRINIDAD AND TOBAGO**

### **Leading the way in Islamic Education.**

Started in humble beginning in 1984, with Allah's grace and kindness, Darul Uloom Trinidad and Tobago has grown to become the leading Islamic Institute in the Caribbean and South America. Over the years, great developments and progress have taken place at the Institute, which has given it international recognition and wide acceptance as a Tertiary Islamic Institute.

A glimpse of the Darul Ulooms achievements until present is as follows:

- Officially started in 1984.
- Registered as a fully private Islamic Secondary College with the Ministry of Education in 1987.
- Registered as a centre for CSEC (CXC) examinations by CXC Council of Barbados in 2007.
- Registered with the Accreditation Council of Trinidad and Tobago (ACTT) in 2014.

#### **OUR ACHIEVEMENTS UNTIL THE PRESENT YEAR 2015**

- Approximately 700 students have completed their Academic Secondary Education with a pass rate of 90% each year since 1992. Many students achieved distinctions in numerous subjects. These students have also completed the upper level course in Islamic Studies. (locals and foreigners).
- Approximately 350 Students (boys and girls) have graduated as Aalims and Aalimahs in the Aalim Degree Program. This includes students from Trinidad, the Caribbean Islands and the USA.
- Approximately 74 students (boys and girls) have graduated from the Hifz Program as Huffaaz (having memorized the entire Quran by heart).
- Approximately 2,160 students (males and females) have graduated in the Part time One Year Diploma Course which was conducted on a yearly basis since 1989 (The One Year Part time Diploma Course continues till present).
- Approximately 278 students (males/females and part time/full time) have completed the Qaari Course and graduated as Qurra (Qaaris) and Qaariahahs.

Many other students have completed part time Arabic Grammar/Conversation Courses, Post S.E.A Courses and Post-Secondary Courses held by the Institute over the years. Darul Uloom continues to provide quality Islamic Education from Basic to Advance, and from Intermediate to the Tertiary level, for both males and females, which are conducted both on a full time, as well as, a part time basis. It also delivers a compact and well-grounded education at the secondary school level, offering a full scale of Academics/Science subjects and Islamic Studies to students who have completed the SEA exams at their respective schools.

Darul Uloom Trinidad and Tobago is also committed to provide quality services to the entire Muslim population (locally, regionally and internationally). In this regard, it continues to provide the following services which are all managed (handled) by qualified and competent Islamic Scholars:

- Halaal Certification and Approval Services.
- Hilaal (Moon Sighting) Services.
- Darul Ifta (Service to the entire Muslim population in delivering formal verdicts pertaining to all aspects of Islam).
- Marriage and Divorce Service.
- Counselling Services. Recently, the Darul Uloom sent two of its Islamic Scholars (Muftis) to complete the Qadhi Course (Islamic Judge Course) at the Imarat Shariah in India. Both successfully completed the course and were certified as Qadhis (Islamic Judges) by the Certifying Institute. With this, the Darul Uloom has officially established the Dept. of Mediation, Arbitration and Adjudication (Darul Qadha) at the Institutes' headquarters.

So far, many Muslims have benefitted from this facility, and all are invited to access this unique facility in Trinidad, in order to settle their disputes and disagreements in accordance to the teachings of Islam.

From all these services, it can be said without exaggeration, that Darul Uloom Trinidad and Tobago is indeed a great favour from Allah in this part of the world.

Muslims are invited to benefit from all the facilities and become a part of it by being a student, a donor, supporter and a well wisher.
