

ADMISSION POLICY STATEMENT

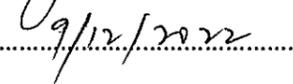

Darul Uloom is committed to providing a fair opportunity for admission into its programs, both full time and part time, for applicants who are seeking admission into these programs and are suitably qualified for admission. The Institution will consider the various criteria for application of students who fulfil the qualifications, skills, and training for admission.

The Darul Uloom will base its admission decisions on the academic quality of the applicants such that no one will be denied admission on grounds of bias or prejudice. Additionally, the Institution will base its admission decisions on an overall evaluation of applicants' merits, strengths, and weaknesses.

As part of the Admission Policy, the Institution will provide the necessary information and will communicate the same to applicants of acceptance or non-acceptance into programs, exemptions where applicable, or the need for prior learning assessments.

The Darul Uloom will facilitate students with program advising on the best fit for them to meet their expectations from their intended studies.
