

HUMAN RESOURCES POLICY STATEMENT

Darul Uloom Trinidad and Tobago is committed to provide suitable and fair working conditions, benefits, compensations and opportunities for professional, spiritual and personal growth and development of all employees. The Institute will adhere to non-discriminatory and just practices in dealing with all employees of the Institution.

All employees of the Institution have fundamental roles in the delivery of academic, Islamic, Administrative and other services provided by the Institution. Employees must perform their duties incorporating a high level of responsibility, truthfulness and competence. These important roles are encouraged and executed through a cordial relationship between the leadership and personnel. In order to facilitate this, the Darul Uloom Trinidad and Tobago will clearly communicate the expectations of the Institution and the specifications/description of the portfolios of employees, as well as by providing suitable working facilities and conditions upon agreeable compensation.
