

# LOVE, SPEAK, & DEFEND THE TRUTH

Be **TRUTHFUL** in YOUR ACTIONS

Be with the **TRUTHFUL ONES**

'Truthfulness' is another foundational teaching of Islam, which a Muslim must practice.

'Truthfulness Leads To Paradise' are the words of the Prophet Muhammad (upon whom be peace).

Islam teaches man to be truthful in words and deeds. It emphasizes to man to love the truth, and be with those who are truthful. Truthfulness leads to piety and righteousness. When one is truthful he is protected from bigotry and his heart 'opens up' to see the truth, to accept the truth and to believe in the truth.

Muslims are required to be truthful people because their religion is one of truthfulness.

**'There is only one God.  
The Creator of all beings.  
The Lord of the Universe.  
He has no son, no partners and no helpers.  
He is the one God who has sent prophets and messengers to teach the message of truth.'  
There is no other truth besides this.**

Islam calls mankind to this fundamental truth and informs them that Adam was the first prophet who came on the face of the earth, after whom thousands of prophets came. In the end, Prophet Muhammad (upon whom be peace) came as the final Messenger, to perfect the teachings of the prophets and to complete the true religion of Allah (God Almighty).

TRUE SALVATION LIES

IN FOLLOWING THIS TRUTH WHICH IS IRREFUTABLE.

There is **NONE** Worthy Of Worship  
& There Is **No Other God EXCEPT, the  
ONE TRUE GOD - ALLAH  
& MUHAMMAD (upon whom be peace)**  
is **HIS MESSENGER**

This is indeed the formula of salvation & success in the hereafter. Muhammad was indeed, a true prophet, the final one, about whom, Prophets Isaiah, Moses and Jesus spoke of. He fought to uphold the fundamental principle of the oneness of GOD and that of belief in the prophets.

This is the call of ISLAM and it is the call to the truth.

Join Islam & See Its Beauty

# THE TRUTH ABOUT ISLAM

Islam is a religion of truth which was sent by **God Almighty** for the guidance and salvation of mankind.

It is a way of life that came from the time of **Prophet Adam (peace be upon him)** and continued to pass on to every other prophet after him.

The heart of Islam is to believe in

**'One God Alone'**

**Who deserves all worship, praise and glory.**

In ISLAM,

**No MAN must be worshipped**

**No MAN is entitled to be called Lord**

**No MAN is entitled to be a partner With GOD.**

Islam says that one must believe in prophets & messengers, who were sent to take man out of the pits of the darkness of disbelief, polytheism, transgressions and sins, and put him into the light of true belief, monotheism, righteousness and good actions.

Islam makes its abundantly clear that a man will be rewarded for his good deeds, and punished for his sins.

After death, paradise and hell lie ahead of man, and after resurrection and judgement, man will enter one of these abodes, based on his deeds and the mercy of his Lord.

## ISLAM ADVOCATES

# PEACE TO EVERYONE

Through BELIEF  
& GOOD ACTIONS  
an individual is at  
PEACE WITH  
**HIS CREATOR.**

While establishing sincere worship to GOD Almighty, and fulfilling his obligations as a Muslim, **one begins to live peacefully with those around him.**

He treats his fellow beings in a peaceful manner. He loves peace.

He preaches peace.

He establishes peace and he treats everyone and everything in a peaceful manner.

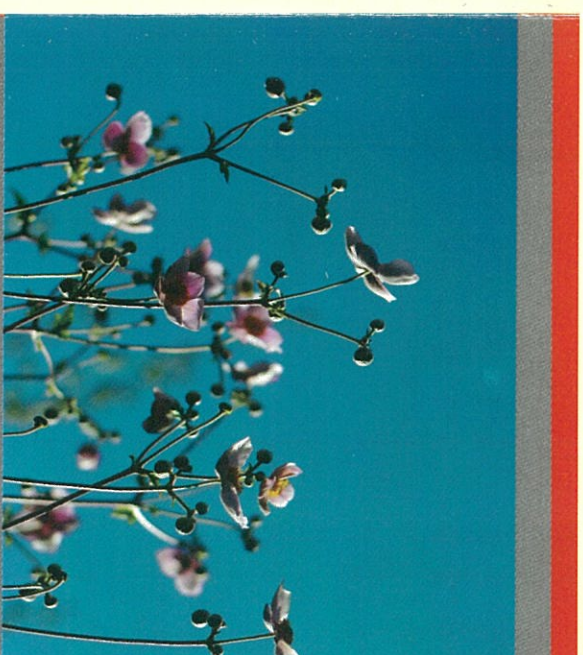

Islam preaches that one must control one's anger and be composed at all times.

Being violent to others is totally against Islamic teachings.

**'Treat Each Other With Love And Mutual Respect'** are golden principles in Islam.

**'Do Not Harm And Let No Harm Be Done'** are heavenly teachings in Islam.

**'Love For Others What You Love For Yourself'** are guidelines from the blessed Prophet Muhammad (upon whom be peace).

Islam ensures that wealth is well circulated among

**THE RICH & POOR.**

There is no place in Islam for the rich to become richer and the poor to become poorer.

The institution of Zakaat or compulsory charity tells the Muslims that they must help others with their wealth and goods by giving a portion to the poor and needy.

**'No One Can Be A True Believer Who Goes To Sleep On A Full Stomach, While His Neighbour Is Hungry'** are guiding words of the Prophet Muhammad (upon whom be peace) that shows how much Muslims are required to look after others.
